Stewart**

Not that long ago, Celeste Stewart and her brother, Grant, joined Stoa and made it to NITOC 2018 in Team Policy Debate. Now both are preparing for college but have returned to Steven Vaughan's LOGOS Colorado club to assist coaching the next generation. "It is through Christ I was able to push through a lot of nerves, tensions, and insecurities during speech and debate. That won't change as I grow older, start a career, eventually a family, etc. So, if anything, speech and debate helped solidify these convictions and God's work in me"
